

The St. Louis Park Emergency Program, STEP, is having a benefit
at Fishman's Market,
Monday, March 15th from
4:00pm - 7:30pm
located at
4100 Minnetonka Blvd in St. Louis Park.

Come in and eat at Fishman's Restaurant or order a meal to go,
and Fishman's Market will be donating 20% of the total sales
during that time to the food shelf.

Take out or Dine In, bring all your friends and family. The more
you eat, the more they make! Try delicious sandwiches,
hamburgers, soups and desserts. Everything is fresh and made
with the best ingredients.

If you'd like to do more, get a non-perishable item, place in the
provided bin and Fishman's will deliver it to STEP the next day.

STEP's March Campaign Goal is 110,000 pounds and money raised during the
month. Hopefully you can be a SUPERHERO and help us reach this goal!! Your
donations during the month will help leverage additional free funds from MN
FoodShare and the Feinstein Foundation.

Thank you for taking part in this 'delicious' fundraiser!
